THE EARF DEBUT · SPRING 2027

One night, and the first time it plays.

WHEN	[DATE], [time]
WHERE	[Venue], [address], San Francisco
HEAR	Tropos, the horn loudspeaker, its first pair built as production will build it
SEE	Mantle, the record player, and the lamps or their cast samples in the seven tints
AT THE DOOR	One coin, one song

Everything in the room is made to order and can be reserved on the night. A listening room follows in February and March; the dates will follow.
