THE OPENING OF THE EARF POP-UP · THE WEEK OF FOG
DESIGN+ART

A listening room for eight weeks, opening with one night.

WHEN	Tuesday 19 January 2027, [time]
WHERE	[Venue], [address], San Francisco
HEAR	Tropos, the horn loudspeaker, its first pair built as production will build it
SEE	Mantle, the record player, and the lamps or their cast samples in the eight tints
AT THE DOOR	One coin, one song

Everything in the room is made to order and can be reserved on the night. The pop-up then opens Thursday to Sunday, 1 to 8 pm, until mid-March.
